

Earleywood Scout Centre

WHAT: Working Weekend

WHEN: 30 May/1 June 2008

WHO: Explorer Scouts, Young Leaders, Scout Fellowship, Scout Network, Leaders and Adults in fact anyone connected with Scouting who wishes to get involved.

WHY: The amount of rain recently has left parts of Earleywood looking extremely damp and soggy. In order to try and help the site drain we are going to clear the ditches surrounding the site, possibly dig out new drainage and anything else that we identify as being useful in getting the site back to a "normal" state.

"It's Dirty Work but someone has to do it"

Admin: Turn up for the whole weekend or for as much time as you can spare. If you can bring any useful tools (spades, forks rakes etc) that would be great (please mark them for identification purposes) but we will have some available if you can't. No cost, either camp or sleep in the Scout Centre at your choice, all meals will be provided, tea, coffee, soft drinks on tap, but please let us know you are coming in order that we buy enough.

Who to notify: Gerald Hill by e-mail:
geraldhill@btinternet.com or Telephone: 01344 621033
